- National University of Sciences and Technology (NUST) | Islamabad CGPA:3.14| 2027
- XII | Punjab Group of colleges(Faisalabad) 96.4%(Board topper)| 2023
- X | Govt MC girls high school(Faisalabad) 99.6% |2021

ACADEMIC PROJECTS

- **Blogging Web App**
Tech Stack: MySQL, HTML/CSS, JavaScript, PHP
Developed a blogging platform with user registration, blog creation, comments, likes, and admin logging. Designed a relational database in MySQL to manage users, posts, and activities securely and efficiently.
- **Aura Glow – Skincare Brand Landing Page**
Tech Stack: HTML, CSS, Figma, UI/UX Design
Designed and developed a visually appealing, fully responsive landing page for a fictional skincare brand “Aura Glow.” Focused on a feminine aesthetic with themed color palette, user-friendly layout, and structured sections for brand story, product highlights, and self-care content. Used Figma for prototyping and UI/UX planning.

POSITION OF RESPONSIBILITY

Community Volunteering| Empowerment foundation for special persons (Oct 2024) Participated as a volunteer in an awareness event organized by an NGO on White Cane Day to support and assist individuals with visual impairments. Helped with event coordination, guided participants, and contributed to creating an inclusive and supportive environment.
